Report from Finance Manager
Gwen Pilo presented a Finance report to the Governing Board. This report included:

- Resolution 12 – eCityGov Alliance Interlocal Purchasing Agreement – This item came before the Board at the last meeting, but because three members of the Board recused themselves from the vote, there was not a voting quorum. Because of this, it was necessary to bring the item before the Board again.

  Chris Connor made a motion for NORCOM to join as a subscriber of eCityGov Alliance. Rich Conrad, Dave Ramsay, Bob Larson and Brad Miyake recused themselves from the vote because of conflict of interest in that they are directly involved with eCityGov. The remaining ten members voted – motion carried.

- Finance Policies – Investment Policy is complete and will be presented to the Joint Ops Board at the next meeting. Purchasing Policies have been presented to the Finance Committee and Gwen is waited for a response from them. Work on Fiscal Policies is in progress and will go to the Finance Committee next month.
